DHPP  
LEPTO  
RABIES  
BORDETELLA

#### FECAL EXAMINATION / **FREE**

#### HEARTWORM TEST / **FREE**

#### T4 / **FREE**

#### URINALYSIS / **FREE**

#### SENIOR WELLNESS BLOOD WORK

This comprehensive blood screen examines the health of the overall cells and the major organ systems including the thyroid and urinary tract. Annual blood work allows us to detect disease processes in the early stages before physical symptoms are present as well as trend changes over time.

**Total: \$267**

The diagnostic blood screen and fecal will be sent out to a professional diagnostic laboratory. We receive the results next day. Expect a follow up from our hospital within 48 hours of your visit.

SA745

No poop? No problem! If you did not provide a fecal sample today, we ask that you bring us one within the next 7-10 days!
