

## Congratulations!

All of us at Southington Veterinary Associates are excited to welcome the cuddly new addition to your family.

Whether you are a Newbie or a more experienced pet Mom or Dad, there are always new things to learn! SVA has worked hard to create a list of trusted links to guide you through unknown territory.

As new members to the Pet Parent community you have access to some amazing resources, one of which is our hospital website...<http://www.southingtonvet.com/>. This is the most important link you will need for getting to know us here at SVA. Meet our staff, visit our online store, explore our additional resources and keep in touch with our SVA Community.

Our Facebook page is another fantastic resource for support and ideas from other SVA pet parents, staff members, former staff members, vendors, and more. It is a great place to share photos, ideas and keep up-to-date with SVA. Follow <https://www.facebook.com/Southington-Veterinary-Associates-10150103884655243/?ref=bookmarks> to join our SVA community!

1. <https://www.aaha.org/your-pet/pet-owner-education/ask-aaha/> is a great, easy to understand, all-around link to answer your questions...and teach you about things you never thought of asking.
2. <https://www.aaha.org/your-pet/pet-owner-education/aaha-guidelines-for-pet-owners/> offers a cutting edge overview of your new pets' vaccines and other topics.
3. <https://catfriendly.com/> is sponsored by the American Association of Feline Practitioners and offers great information and a newsletter.
4. <https://www.heartwormsociety.org/pet-owner-resources> is an excellent resource for Heartworm questions or concerns, including a Just for Kids, kid-friendly explanation!
5. <https://www.petsandparasites.org/> on how to keep your family safe from parasites. Get a jump on tick-and mosquito-borne diseases.
6. <https://vetnutrition.tufts.edu/best-food-for-your-pet/> is an amazing site that shares the latest findings on nutrition and your pet.
7. <https://trupanion.com/ec/certificates/what-is-a-certificate> explains pet insurance and offers a free 30-day trial at your first healthy pet visit!

Thank you for choosing our SVA Family. We look forward to being here for you and your fur family for many years!
