

Acosta Veterinary Hospital

Hurricane and Tropical Storm Policy

Living on the Mississippi Gulf Coast is exciting and fun. Unfortunately, we pay the cost with torrential storms from June through November. Because these storms can be so unpredictable, we DO NOT board any pets during these storms. We ask that if you, the owner, cannot pick up your pet from the boarding facility, you have at least two contacts that can help you. We will rely on you to alert these contacts to the impending danger and the possibility of your pet needing to be picked up from us. We also ask that you provide us with the contact information for these chosen helpers so that we can get in touch with them when we cannot get in touch with you.

I, _____, the undersigned, understand that my pet cannot stay at Acosta Veterinary Hospital during a hurricane or tropical storm. I agree, to the best of my ability, that the two contacts I have provided are willing to pick up my pet, in the event that I cannot do so myself.
