

## Financial Policies

Please give at least 24 hours notice in the event you must reschedule or cancel an appointment. This will help us utilize our team appropriately and potentially offer the time to a patient on our waiting list.

We require a deposit of \$200 at the time a procedure or surgery is scheduled. This will remain as a credit on your account and is applied towards the balance when we collect the remaining amount, due at discharge.

If our staff is notified of your intent to reschedule or cancel the procedure *after closing hours the day prior to the procedure*, the deposit is lost and an additional \$200 deposit must be collected before rescheduling. We understand unexpected things can happen and will do our best to accommodate you.

Payment is due in full at the time of services or at discharge. We accept Visa, Mastercard, Discover, Care Credit and Cash. Please notify a staff member if you plan to use CareCredit.

Thank you
