You are welcome to leave reminders of home with your pet while boarding. However, please note that while we will do our best to return bedding, toys, etc. to you, these items are left with the risk that they may be misplaced/lost during daily cleaning.

Please do not leave anything of particular monetary or sentimental value.

We will provide bedding and dry food. If special food is desired, please bring with pet.

Special instructions (include anything you would like the doctor to check for while boarding) _____

Does your pet need to be given medication while boarding? _____

(Insulin injections--\$7.00/injection ; Other medications--\$5.00/day)

In order to keep our boarding facilities flea-free, we will treat any pets found to have fleas or ticks at the owner's expense. However, even if we don't find parasites, we can treat if you would like us to do so.

Would you like your pet to have a treatment of flea treatment given while he/she is boarding?

_____ Yes _____ No

Would you like your pet to be bathed the morning of departure? _____ Yes _____ No

If so, please indicate type of bath on second page...

Vaccination Policy: To insure the protection of all pets under our care, the following

vaccinations must be current: Dogs: Rabies, DA2PLCPV(Distemper/Parvo),

Bordetella Cats: Rabies, FVRCP(Distemper)

If proof of vaccination by a licensed veterinarian cannot be provided, we will update your pet's vaccines for you.

Medical Illness Policy: One of the advantages of boarding your pet(s) at a veterinary hospital is that veterinary attention is readily available should the need arise. If your pet becomes ill, we will call the emergency number(s) listed above. However, if no one can be reached, please indicate your wishes below should your pet require treatment to relieve immediate discomfort or to resolve an important medical condition.

_____ Please perform whatever services the doctor deems necessary for the best care of my pet until someone can be reached.

_____ I authorize up to (check one) _____ \$100 _____ \$200 _____ Other \$ _____ in medical care until someone can be reached.

_____ Do not administer any treatment until specific authorization is given.

I fully intend to pick up my pet on or around the above date specified. If circumstances change, I will notify the veterinary clinic of a new pick up date.
