

FREE EQUINE VACCINATION

The Equine Health Program at NC State's College of Veterinary Medicine invites horse owners with financial need to participate in a free vaccination clinic on **Saturday, August 31, 2013** hosted by **Tractor Supply Company** at **3357 Lackey Street, Lumberton, NC, 28360**.

August 31st: 8 a.m. to Noon

As of early August, the state has confirmed seven equine cases of Eastern Equine Encephalitis, a viral disease that affects the nervous system in people as well as horses. Vaccination is a critical preventive measure to protect your horse against many different diseases. There is a 90% fatality rate and no treatments to cure the disease. Vaccination is the only way to protect your horse! Schedule an appointment for a guaranteed time slot. Please note that horse must be present at our on-site clinic to receive vaccine.

SIGN UP BY CALLING: (919) 513-6640

Walk-Ins will be accepted until we run out of vaccine.
