

Senior Animal Care Health Screen Special

For Both Dogs and Cats

Recommended for pets over 6 years old

This special is for healthy animals to help prevent illness, not for sick animals at the time of their illness.

A comprehensive senior health screen can help diagnose insidious diseases and better manage your pet's health problems while they are treatable.

Screen Includes:

Comprehensive Physical Exam	\$63.00
Complete Blood Count	\$77.00
Biochemistry Profile	\$93.00
Urinalysis	\$87.00
Chest Radiographs (X-Rays)	\$170.00
Electrocardiogram (EKG)	\$120.00
Blood pressure	\$60.00
	Regular Price \$670.00
	Senior Screen Package Price \$536.00
	Save 20% \$134.00

Must be done as a complete package
