

Dental Release Form

Owner _____ Patient _____

Breed _____ Color _____ Age _____ Sex _____

Are vaccinations current? YES NO - If NO, would you like them updated today? YES NO

Did your pet eat today? YES NO Did your pet receive any medications or vitamins? YES NO

Please list any other treatments you would like done while your pet is under anesthesia.

(Ex: toe nail trim, express anal glands, vaccines, etc.) _____

If further problems such as teeth that need extraction are detected while your pet is under anesthesia, how should they be handled? Please check one!

Do whatever is needed to give my pet a healthy oral cavity. Including extracting any teeth that hinder my pets health.

Please contact me at the phone number below before doing any additional dental procedures.

Pre- Anesthetic Blood Screening

Like you, our greatest concern is the well-being of your pet. Physical examination will be performed before sedating your pet. However, many conditions, including disorders of the liver, kidneys, and blood cannot be detected without blood testing. For these reasons, we highly recommend blood screening for pets of all ages before sedating your pet. The cost of these tests for under 7 years of age is \$100 and 7 years of age and older is \$127.50.

() I approve blood testing for my pet.

() I decline blood testing. Initial _____

() My pet had blood testing done at his/her pre-surgical appointment.

I understand that all sedation/anesthesia involves some minimal risk to my pet, but Suburbia North Animal Hospital, and/or its agents will not be held liable in any manner whatsoever or under any circumstances in connection therewith, as it is thoroughly understood that I assume all risks. If I am unreachable during a procedure, the Doctor may treat my animal as HE/SHE deems appropriate. I understand that I am financially responsible for any and all charges resulting from requested procedures.
