 - **If your pet is in heat, pregnant, crypt orchid or any teeth removed during a dental there will be an extra charge.**
 - *****While doing a dental if we perceive that any teeth need pulling we will pull them. (We only pull teeth that need pulling and would benefit the pet by doing so). Because your pet will be under anesthesia, for your pet's health we are unable to stop and call to inform you if we realize after starting a dental that teeth need to be pulled.**

Release Form

Date: _____

I Here by consent and authorize Doctor Murry

You are to use all reasonable precautions against injury, escape or destruction of the animal(s), but you will not be held liable or responsible in any manner whatever, or any circumstances, on account of the care, treatments, safe keeping of the animal(s) above described, or otherwise in connections therewith, as it is thoroughly understood that I assume all risks.

Written notice will be mailed to the address below to remove the animal(s). Five days after such written notice the animal(s) will be considered abandoned and may be disposed of, or destroyed, as you deem best, and it is understood that your so doing does not relieve me form paying all costs of your service and the use of your hospital, including the cost of keeping.

I have read the above and agree.
