Patient Name _____ Owner Name _____

Age _____ Sex _____ Breed _____ Color _____

Date _____ Owner Signature _____

This plan cannot be transferred between pets. The plan will carry over if the animal is given away or sold to another owner. All services and discounts are valid at this price for 1 year following payment/inception of the program. Services not used will not carry over to the next service year. The plan has to be paid in full before it can be initiated. All prices reflect at least a **20% discount** off of regularly priced services. Parasite preventatives are not included in the package price. All additional services, procedures, drugs, and products will be charged at the standard rate. An attempt will be made to refund the cost of services not fulfilled if the patient dies during the service year.
