

Adult Canine Disease Prevention Plans (Ages 1-6)

All the care for the year

25% Minimum Savings on this plan

BASIC CARE PLAN

5% off other services*

The Basic Care Plan provides the core foundation of care that each dog needs.

Monthly Payment \$33.95
One-Time Payment \$392.40 (\$15 Savings)

 Basic Care includes:

Medical and Physical Exams • Unlimited**

Vaccines • Vaccines are given based upon your dog's lifestyle, age and health status.

Diagnostics

- Twice-a-year intestinal parasite test (fecal exam)
- Heartworm test (4DX Test) - Includes screening for common tick-borne diseases.
- Health screen (Blood work & Urinalysis)
Internal physical exam, allows for early detection and prevention of disease, such as anemia, diabetes, kidney disease and bladder infection.
- One Ear cytology test (detects ear infection)

Parasite Prevention

- Twice-a-year deworming (roundworms & hookworms)

25% Minimum Savings on this plan

STANDARD CARE PLAN

10% off other services*

This plan adds the all important dental cleaning to the Basic Care Plan.

Monthly Payment \$48.95
One-Time Payment \$572.40 (\$15 Savings)

 Includes Basic Care services, plus:

Dental Cleaning

Annual dental cleaning is the "standard" for most dogs. For pets with severe dental disease, we have an option for semi-annual cleanings. Healthy mouths protect against numerous diseases and improve oral hygiene -meaning better breath!

Grade 3 & 4 cleanings and extractions require additional fees.

- Blood Pressure Monitoring (during dental cleaning)
- 2 Dental x-rays (as needed)
- Toenail Trim (included at time of dental cleaning)

35% Minimum Savings on this plan

TOTAL CARE PLAN

15% off other services*
