Pre-Anesthetic Instructions

Your pet has just been scheduled for a procedure involving anesthesia. Please be sure your pet does not eat or drink anything after midnight the night before, for this will help to ensure that your dog or cat does not vomit from the anesthesia that will be used during the procedure. The business day before your pet's surgery, you will receive a confirmation call to remind you of the above instructions. We will see you on the day of your pet's procedure at your appointed time between the hours of 7:30a.m and 8:00a.m. If you have any questions, please ***Do Not*** hesitate to call the office during business hours at (229)794-0040. We look forward to seeing you.
