

Hurricane Boarding Policy

To ensure the safety of your pets, Mimosa Veterinary Hospital has a strict policy for boarders during hurricane season. In the event of a Mandatory Hurricane or Tropical Storm evacuation, Mimosa Veterinary Hospital WILL evacuate. As we have seen in previous Hurricane seasons neither humans nor animals are safe.

Please Provide MVH with the following

- Your out of town contact information(phone, e-mail, etc)
- Names and numbers of **2** local people that are willing to pick up your pet in the event of an evacuation.
- A credit card number for evacuation purposes.

Please be sure the local contacts are aware and willing to pick up your pets if we have to evacuate the hospital. We will give you as early a notice as possible, to give you enough time to have your pets picked up and out of harms way.

1st local contact# _____

2nd local contact# _____

Owner e-mail/# _____

Credit Card number _____

Expiration/3 digit Code on back _____

Name as it is written on card _____

After every attempt is made to reach someone, other fees may be added such as a microchipping and registration, and transport fees. We cannot overstate the importance of this policy. We will do our absolute best to remove all pets to a safe place but we cannot guarantee shelter in a natural disaster.

Please sign and date, stating you have reviewed our policy for this Hurricane Season.
