Surgery and Anesthesia Authorization

Patient _____

Date _____

I hereby authorize Sheeler Road Animal Hospital and its staff to perform:

And any additional diagnostic procedures or treatments as deemed necessary for medical or surgical complications or otherwise unforeseen circumstances. I accept financial responsibility for this treatment.

The nature of the procedure(s) has been explained to me and no guarantee has been given as to the outcome or cure. I understand that there may be risk involved in these procedures.

Sheeler Road Animal Hospital requires that all patients in the hospital for boarding, hospitalization, or in-patient care be current on all the required vaccinations, if health permits. These vaccinations must have been administered by a licensed veterinarian. Also, all pets must be free of fleas or that patient will be required to have a flea bath or a flea treatment with an appropriate flea control product.
