Vaccine Requirement: All cats must be current on both the Rabies and Distemper vaccines. All dogs must be up to date on Rabies and Bordetella, and Canine Influenza inoculations. If your pet has not received these vaccines, they will be given during your pet's grooming appointment. If your pet received a complete physical by your regular veterinarian in the last 6 months, no exam will be required prior to vaccination of your pet. We must have proof of the examination being done by the veterinarian within the past 6 months. If the Groomer/Staff encounters fleas/ticks while grooming your pet, the pet will receive a dip to kill the fleas/ticks at addition fee of \$10.00.

Base on your pet's records, the following will be administered:
