

Included in our surgery packages:

1. Pre-surgical exam to screen for potential health issues that would increase risk of anesthesia to your pet. This is included in the price of the surgery, however, we do recommend pre-operative blood screening to uncover other pre-existing conditions not detectable by physical exam. Any patients over the age of 6 are required to have a basic bloodwork panel prior to any anesthetic event.

Pre-operative blood screening:

_____ * 5 years and under- CBC, Prep Chem Screen: \$65.00

_____ * Over 6 years of age- CBC, Comprehensive Chemistry: \$85.00

_____ *PTT/PT Clotting times \$50.00

_____ * Feline Leukemia/Feline AIDS Testing (rec for outside cats): \$35.00

_____ Canine Heartworm testing at reduced rate of \$18.00 with surgery.

_____ Feline Pro-BNP Testing: \$28.00

(It is STRONGLY recommended that all dogs that do not have a current negative heartworm test on file that are more than one year old be tested for heartworm disease. Placing a heartworm positive dog under anesthesia is very risky and can result in death.)

_____ I am declining pre-operative bloodwork.

Other options and extras:

1. VACCINATION PROTOCOL: All hospitalized animals are required to have a current Rabies, Dhapp, and Bordatella vaccine on admittance. Please understand that vaccines given at the time of admission will not be fully effective for 4-7 days; this means that there is a chance of illness if exposure to a sick or infected animal occurs within this time period. Trenton Animal Hospital is a hospital facility therefore exposure to these diseases can occur. We offer these vaccines at a reduced rate the day of surgery.

_____ Rabies 1yr. Vaccine at reduced rate of \$10.00 with surgery.

_____ Dhapp 1yr. Vaccine at reduced rate of \$12.00 with surgery.

_____ FVRCP 1yr. Vaccine at reduced rate of \$12.00 with surgery.

_____ FELV 1yr. Vaccine at reduced rate of \$12.00 with surgery.

_____ Bordatella Vaccine at reduced rate of \$12.00 with surgery.

_____ I DECLINE the Felv vaccine at this time.

_____ I AGREE to have my animal vaccinated for the above listed vaccines at the time of surgery.

2. There will be an additional charge of \$35.00 if your pet is pregnant or in heat.

If your pet is discovered to be pregnant:

_____ I AGREE to continue with spay procedure. I understand the pregnancy will be terminated at this time

_____ I DECLINE spay procedure. I understand there will still be a charge for the anesthetic procedure.

3. There will also be an additional charge for treatment of fleas if any are noted.

_____ 4. We can microchip your pet during surgery for the special price of \$35

I understand that there are inherent risks in any anesthetic episode and that unforeseen conditions may arise that necessitates a variance in the procedure(s) above. I expect Trenton Animal Hospital to use reasonable care and judgement in performing the procedure(s). The nature of the procedure(s) and risks involved have been explained to me and I realize that the results cannot be guaranteed. I am also aware that unforeseen events resulting from the procedure(s) will not relieve me from any obligation to all

reasonable costs incurred regarding my pet. As the owner or agent of the above pet, I hereby give my consent to Trenton Animal Hospital to perform the following procedure(s):
