Please be sure your phone is on and you can hear it.

If we can not reach you at that number, is there another number to call?: _____

1. Why are we seeing your cat today? Please be specific, for example, if he/she is vomiting when did it start? Is it after he/she eats? Is the vomit food, hair, or liquid? As many details as you can give us even if you think it might be trivial:

2. Is your cat on any medications? Please list all medications and the dosage. Did you give medication today?:

3. What kind and brand of food do you feed your cat? (please circle):

Dry Canned Both What brand (Fancy Feast, Purina, etc) _____

4. Is your cat (please circle): Indoor Only Indoor/Outdoor Outdoor Only

5. Has your cat been seen at another veterinary facility? If so, who can we call to get copies of medical records? We want a complete medical history on your cat.

Please circle any that apply

My cat is/has: Coughing Sneezing Runny Eyes

Appetite is: Good Fair No Appetite Vomiting

Water intake is: The Same Decreased Increased

Urination is: Normal Less Frequent More Frequent Bloody

Bowel Movements are: Normal Soft Diarrhea

Litter box habits are: Uses Regularly Sometimes goes out of box Never uses the litter box

When the doctor has finished with your cat, one of our receptionists will call you to go over your invoice and collect payment. We have found that during this unprecedented time, normal tasks are taking much longer, your patience and understanding is greatly appreciated. If you prefer to wait outside on our blue chairs, please maintain social distance and keep your mask on. You may prefer to wait in your vehicle. If you would like to leave your cat for a period of time, please let us know. Some clients have decided to go get some refreshments during the waiting period. Also, please note our phone system has been overloaded with calls. We are trying our best to get to everyone in a timely manner. Thank you! -The Cat Doctor Team
