

ANESTHESIA & TREATMENT CONSENT FORM
Canyon Small Animal Hospital

Name: _____ Today's Date: _____
 Pet's Name: _____ Species: Dog Cat Breed: _____
 Today's Phone # _____ Alternate Phone # _____

Please be available at one of these numbers for the duration of your pet's stay, should an emergency arise
Would you like a text message when your pet is awake? YES

As the owner/agent of the above animal, I hereby give my consent to Canyon Small Animal Hospital to perform the following procedures:

1. _____
2. _____
3. _____
4. _____

- Please list your pet's current medications: _____
 - Last time medications were administered: _____
- When was the last time your pet ate? _____
- Please list any known allergies or reactions to medications: _____

If your pet is undergoing a dental procedure, there is a chance that we will encounter more disease than expected and more extractions may be recommended than projected on the estimate. If we cannot reach you by phone, would you like us to proceed with the best course of treatment even if it means exceeding the agreed upon estimate?

YES NO*

*if NO is selected, AND we are unable to reach you by phone, the procedure will be discontinued when the limits of the provided estimate are reached. This may necessitate additional procedures in the future for completion of care.

We offer a FREE nail trim service while your pet is anesthetized. Would you like your pet to receive this nail trim today?

YES NO

Would you like your pet to receive a Microchip ID Implant while anesthetized? \$36.50

YES NO

Idaho State Law requires that all dogs and cats be vaccinated for Rabies by a veterinarian. Would you like us to vaccinate your pet for Rabies virus today? \$37.00

YES NO

LABORATORY TESTS

If your pet is to be anesthetized, rest assured that advances in anesthesia and surgery have made procedures relatively safe with a low rate of complications. Nevertheless, occasional problems can arise due to pre-existing conditions not evident during pre-anesthetic examinations. To avoid these problems, we recommend that all animals be evaluated prior to anesthesia by means of the following laboratory tests:

- **Pre-Anesthetic Blood Chemistry & Complete Blood Count Screen** YES NO \$55.00
 - REQUIRED for patients over 7 years of age unless normal bloodwork within 30 days of procedure. This charge may have been included in your pre-surgical estimate
 - Please initial if you wish to decline pre-anesthetic bloodwork: _____

- **Heartworm Test** (if over 6 months of age and not already on a preventative) YES NO \$29.00
- **Leukemia/Immunodeficiency Virus Test** (CATS ONLY, if not already tested) YES NO \$45.00

I understand that during the performance of this procedure, unforeseen conditions may be revealed that necessitate an extension or variance in the procedure(s) set forth above. I expect Canyon Small Animal Hospital to use reasonable care and judgement in performing the procedure(s). The nature of the procedure(s) and risks involved has been explained to me, and I realize results cannot be guaranteed. I am also aware that unforeseen events resulting from the procedure(s) will not relieve me from any obligation to all reasonable costs incurred regarding my pet.
